- Spotty stickers

Remember to take a look in your book bags and see if your children have participated in these lovely Adult Led Activities this week!

**Small Group Work** - has commenced now that all of our children have settled into the Nursery routine and we have been doing the following:

**Maths** - counting and number recognition.

**Letters and sounds** = sound lotto CD's with the children recognizing familiar sounds.

## Pets

Following on from the wonderful pictures you sent into Nursery some of the children have been sharing stories and information about their pets. They have created some beautiful pieces of art work, which are now on display in the Parish Room and Windsor Room- please do come and see!

## Sickness and Absence

Please call to notify us of sickness or if your child is not attending Nursery as this must be recorded on our registers - Thank you

## Lunch Boxes

A Polite reminder - Please make lunch boxes healthy and balanced. The portion sizes need to be manageable for the children, with no chocolate, sweets and 'Yo Yo Bears', as these can be a choking hazard! A good alternative is fruit flakes and Yoghurt raisins.
