Safeguarding

We are going to bring back our 'Going Home Book', which will be available for parents to write a note and sign if your child is going home with someone else other than the eligible people written on your original registration form. It is VERY important that we know this information - safeguarding the children is always a priority for us. If there is a short-term agreement with a different adult dropping off/collecting we will require their full name and a contact telephone number.

Clothing - On wet days we really do need to have more than 1 set of clothing in the red bags. As you know children LOVE splashing in the puddles and do get wet, sometimes on more than one occasion!

Any unwanted trousers you may have at home. We started off with a big box in September and they have all disappeared. Donations very welcome!

Adult Led Activities - The children have been really busy making lots of wonderful things for Christmas:

- Crowns for the Christmas concert
- Decorating Christmas Stockings
- Reinforcing numbers by rolling a dice and then putting pom pom's on a Christmas Trees
- Making Christmas Cards

Tapestry - no Tapestry updates this week as the team do not have their non-contact time.

Lorraine Piddington - Zachary's grandma and children's Author will be back to read her books to the afternoon children today - Monday 18th December. She will bring a copy of her books if you wish to purchase.

Upcoming Events

Christmas Concert - Wednesday 20th December 11:00am in the Church - all children and families welcome. The doors will open at 10:30am, for an 11:00am start. If your child DOES NOT usually attend nursery on Wednesday we would love them to be there too, just drop them at the setting around 10:30/40 and we will walk ALL of the children over the road at 11.00, while you go and find a seat!

There will be mince pies, tea and coffee served afterwards at the back of the church.
