Nursery News

Welcome to our new families and children
- Bella, Wiktorina, Valentino, Athena and
Tyler.

Recent Adult Led activities:

- Making pasta necklaces
- Making musical instrument shakers
- Making binoculars
- Exploring mixing colours

Small Group Work - The children have been really enjoying small group work, where we have been guessing the objects in the feely bag and learning some phonic sounds.

Cold Weather - the nursery doors are always open to allow the children to move around freely - please ensure they are wrapped up warm with plenty of layers!

Please take advantage of our wonderful selection of books on offer for the children to take home, encouraging the use of our library system. We also have reading records for you to complete and give us feedback. Good practice for the older children going to school in Sept.
