Nursery News

Fun in the Sun with our Adult Led Activities;

- *Designing small cork people
- *Washing babies with soap and bubbles
- *Water runs with cars and little people
- *Paper Aeroplanes
- *Spring Walks

New Children

Welcome to Rubin, Esme, Elena and Bonnie who came in for their visit sessions this week.

Spring Walks

The sunshine eventually graced us with its presence and we were able to go out on our walks. Thank you so much to those parent/carers who were able to help.

REQUEST

We are collecting small yoghurt pots for planting seeds with the children. Please bring in your washed and clean empty pots.

Sunscreen

Please ensure sunscreen is applied to your child's skin prior to coming in to nursery.

Sun Safe

We have a 'Sun Safe' policy and at this time of year we like to make sure we are protecting the children when they are in the setting in this hot weather;

- We will always provide drinking water throughout the session
- We will always ensure hats are worn outside in sunny areas
- We will shade the garden with fabrics as much as we can
- We will apply sunscreen after lunch for the p.m session

Instagram

Remember to follow and like us

Important Dates:

Monday 7th May - Bank Holiday
(The setting will be closed)

May Half Term
Monday 28th May - Friday 1st June

INSET DAY
Monday 4th June
(The setting is closed to the children)

Have a lovely week from the Windsor Kindergarten Team
