- Dinosaur prints in paint
- Dens, tents and tunnels in the garden
- Exploring pasta maker machine in malleable area
- Leaving card for Karin
- Easter Activities
- Easter Bonnet Parade
- Amazing constructions, balancing course with different size tyres in the garden

Safeguarding Reminders

Going Home Permission Please can we remind you that it is VERY IMPORTANT to ensure that you tell us if your child is being collected by an 'eligible person' at home time. We have a white board for you to make a note, or tell the team member on the door.

Contact Information It is always important to keep us updated with your contact information including emails, telephone numbers and home addresses. This included child minders and carers who may also be dropping off or picking up your child from the setting

Parking recently there have been some parents parking right in front of the main entrance to the setting where there is a dropped curb. Please ensure you park safely and carefully at all times. There are 2 small car parks nearby York House and Holly Park, which give 30 minutes FREE parking for Richmond resident.

Kind request

We are collecting keys, pine cones or wooden bangles for new exciting activities. If you would like to donate them, please bring after Easter and give to your keyperson. Thank you very much!!!

Dates for your Diary:

Summer Term
Tuesday 23rd April

HAPPY EASTER

Have a great weekend from the Windsor Kindergarten Team
