Nursery News

We send our love and Congratulations on the new addition to Elsie's family. Elsie becomes older sibling to her baby brother!!!!

Happy, confident children

develop into

happy, responsible, confident

and successful adults.

World Book Day - A big thank you to all the children for sharing with us their favourite books and for the wonderful costumes (including the teachers).

Great Outdoors activities - every Monday morning all the children explore Orleans Park. We went on the spring walk and found daffodils, crocuses and snowdrops.

We created shelter; we also built dinosaur skeleton with the sticks.

Please follow us on Instagram or Facebook to see more details.

Nursery activities

The Little Learners have been learning about the space, planets. We built Solar System and used recyclable resources to make the planets.

The Little Explorers have been learning about shapes, creating shape collages and going on the shape hunt.
